

The escape of water-endangering liquids or chemicals after an accident unfortunately cannot always be avoided. In order to be able to react immediately in an emergency it is important to have the right products in the right quality present on site. This is the only way to limit damage to persons and the environment.

- ✎ Sorption agents consist of rugged fabrics with a high abrasion resistance and outstanding absorption properties.
- ✎ Absorption capacity up to 20-times their own weight.
- ✎ Ideally suitable for the prevention and containment of environmental damage.
- ✎ Pads can be used as work surfaces or for minor leaks. Rolls are used for the containment of major leaks.
- ✎ Socks are packed in boxes, pads and rolls are in film packs.

IKAROS UNIVERSAL SORPTION AGENTS

Suitable for the absorption of oils, emulsions and coolants as well as for chemicals such as acids, corrosive alkalis and solvents. The polypropylene fibre sheets are hydrophilic and therefore suitable for the absorption of aqueous solutions. Pads, socks and rolls coloured grey.

Version	Size	Pcs. in pack	Absorption capacity of 1 pack, L	Article No.
Pads, universal	50 x 40 cm	200	157	B82-1510-B
Pads, universal	50 x 40 cm	100	124	B82-1511-B
Rolls, universal	80 cm x 50 m cross perforations every 40 cm lengthways perforations every 20 cm	1	248	B82-1512-B
Rolls, universal	40 cm x 50 m cross perforations every 40 cm lengthways perforations every 20 cm	2	248	B82-1513-B
Socks, universal	8 x 120 cm	20	130	B82-1514-B

IKAROS SORPTION AGENTS FOR OILS

For the absorption of oils (hydraulic oil, crude oil, motor oil), coolants and fuels, also from water surfaces. The polypropylene fibre sheets are hydrophobic and can therefore be used in the open air. Oils are absorbed and simultaneously water is ejected. Pads, socks and rolls coloured blue.

Version	Size	Pcs. in pack	Absorption capacity of 1 pack, L	Article No.
Pads, for oil	50 x 40 cm	200	157	B82-1515-B
Pads, for oil	50 x 40 cm	100	124	B82-1516-B
Rolls, for oil	80 cm x 50 m cross perforations every 40 cm lengthways perforations every 20 cm	1	248	B82-1517-B
Rolls, for oil	40 cm x 50 m cross perforations every 40 cm lengthways perforations every 20 cm	2	248	B82-1518-B
Socks, for oil	8 x 120 cm	20	130	B82-1519-B

Leaks can cause enormous damage everywhere that liquid oils or chemicals are stored or transported. The emergency sets have been designed so that, if oil, chemicals or other industrial liquids escape, all the necessary binders and aids are immediately available to prevent or limit damage to persons and the environment.

All emergency sets are available in different containers and qualities that depend on the particular application.

PLASTIC TRANSPORT BOX FOR EMERGENCIES

- Mobile on 4 rollers
- W x D x H in mm = 900 x 450 x 600
- Absorption capacity of each model 110 L
- Weight 30 kg

Model 2714 universal	Article No.
Contents: 50 pads, 5 pillows 3 socks 1 pair protective gloves 1 protective suit 2x 0,5 L eyewash liquid 10 kg granules 1 dustpan & brush 2 disposal sacks	B82-1520-B

Model 2715 for oil	Article No.
Contents: 50 pads, 5 pillows 3 socks 1 pair protective gloves 1 protective suit 2x 0,5 L eyewash liquid 10 kg granules 1 dustpan & brush 2 disposal sacks	B82-1521-B

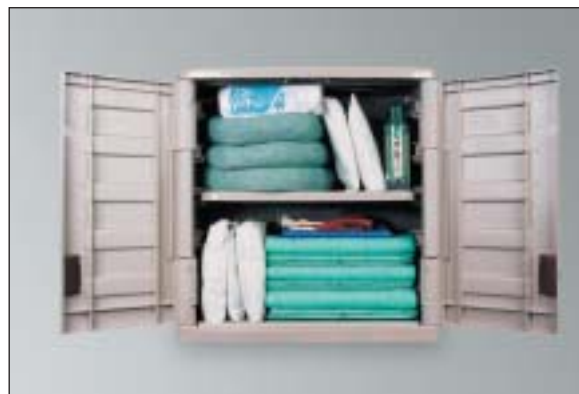

PLASTIC CABINET FOR EMERGENCIES

- With 2 doors
- For wall mounting
- W x D x H in mm = 710 x 305 x 710
- Absorption capacity of each model 70 L
- Weight 15 kg

Model 2997 universal	Article No.
Contents: 30 pads, 5 pillows 3 socks 1 pair protective gloves 1 protective suit 2x 0,5 L eyewash liquid 2 disposal sacks	B82-1522-B

Model 2998 for oil	Article No.
Contents: 30 pads, 5 pillows 3 socks 1 pair protective gloves 1 protective suit 2x 0,5 L eyewash liquid 2 disposal sacks	B82-1523-B

EMERGENCY SET IN PLASTIC BAG

- W x D x H in mm = 500 x 220 x 500
- Absorption capacity of each model 35 L
- Weight 10 kg

Model 492 universal	Article No.
Contents: 10 pads 1 sock 5 kg granules 1 pair protective gloves 2 disposal sacks	B82-1524-B

Model 493 for oil	Article No.
Contents: 10 pads 1 sock 5 kg granules 1 pair protective gloves 2 disposal sacks	B82-1525-B
